About me

My name is Nicolas Ribeiro, I'm from Brazil. On 07/13/2023 I'm going to Ireland to do an exchange program at Erin School of English for 6 months. My current goal and dream is to get an opportunity before the trip to be able to enter with a work visa and build a career in Europe.

Skills

Main: HTML, CSS, JavaScript, React, Bootstrap, TypeScript, React Native, MySQL, Figma, Git.

Others: PHP, SASS, WordPress, JQuery, C#, Python, Photoshop, Sony Vegas.

Position

Junior Front-end Developer

Portfolio: <https://ribeironicolas.github.io>

Projects

ZooLeitura | HTML, CSS, JavaScript | zoodaleitura.github.io

Site developed for the university in the discipline of Analysis and Systems Design, in order to help children in learning, being considered as the best project and presentation of the class, earning the extra point that the winner would receive.

- First time I was able to put my knowledge of HTML and CSS in my own project;
- Project developed from SCRUM and PMBOK Methodology.

HeYapp | React, Firebase, Styled Components | ribeironicolas.github.io/HeYapp-ChatSite/

Real-time chat site made in React with login system by authentication and storage of messages and users through Firebase.

- First time using Styled Components and Firebase;
- Hooks used: useState, useEffect, and firebase-hooks.

Markdown Editor | React, LocalStorage, Libraries | <https://ribeironicolas.github.io/markdown-editor/>

Markdown editor in React which uses Local Storage to store your written files.

- Hooks used: useCallback, useEffect, useRef and useState;
- Libraries used:
 - marked: turns HTML text into Markdown;
 - highlight.js: add code highlight in the text;
 - uuid: Generate a unique key for each file.

Professional Experience

Casa do Crédito | Junior full stack developer (12/2022 - currently)

- We create digital banks apps and sites using HTML, CSS, JAVASCRIPT, PHP and MYSQL.

Education and languages

- Studying last semester of systems analysis and development | UNICID Tatuapé;
- Native Portuguese, intermediary English and basic Spanish;
- Nutrition and dietetics technician integrated to high school | ETEC São Mateus.
